DESCRIPTION

Traditional charm in the heart of Llafranc, only a few metres from the beach. Welcome to this charming traditional village house located in the heart of Llafranc, Costa Brava. Just 60 metres from the beach and surrounded by all amenities, this property combines the authentic character of village houses with a modern rustic style. With capacity for 6 people, this cosy house is designed to enjoy a quiet holiday. However, it is important to note that the common interior space is small, being more comfortable for 4 people. In summer, when the patio becomes the main living area, this is not a problem, but on days of bad weather the interior space may be tight for more than 4 people. On the ground floor there is an intimate living room, a dining room and a fully equipped independent kitchen that opens onto a charming patio. On the first floor there are two en-suite bedrooms, both equipped with ceiling fans: A bedroom with a double bed, which offers direct access to the patio via a comfortable staircase. A bedroom with two single beds, perfect for children or friends. The beds are very low. In the patio we find an annex that offers a third bedroom with a double bed, which is accessed by a staircase next to the porch. The private patio is equipped with a table with 4 chairs next to the kitchen and dining room, ideal for breakfasts or dinners outdoors. At the back of the patio, a cozy covered porch with a second table and 6 additional chairs offers a perfect space for long after-dinner conversations. The patio also has a toilet with a shower. It has WIFI. ⚠ The fireplace is decorative, it cannot be used. We remind you that sheets and towels are not included in the price, they can be rented for a supplement of € 10 per person for sheets and € 10 per person for towels. Please let us know if you are interested, so we can have everything ready for you upon arrival. For any other questions about this property, do not hesitate to contact us.
